1. Parking is permitted in any open space as you enter the gates of the facility. Please remember to lock your car and take or hide any valuables you may have.
2. Upon entry to the building lobby, you will be greeted at the door by our receptionist. Please sign in and relax in the waiting area while your party is retrieved.
3. Evacuation procedures– In the case of an emergency, please locate your nearest exit. A CAM designated on site “Fire Warden” will provide further instruction to ensure your safety.
